

Self-Service Stackable Pitcher

Self-Service 34 oz. Pitcher with Lid

Self-service water stations can help keep operations efficient, costs low, and customers happy while also supporting green initiatives. By offering self-serve water at either a station or on tables, pay at-the-counter restaurants can make dining and drinking convenient, quick and interactive.

Features:

- Made of virtually unbreakable polycarbonate including frosted design to hide scratches.
- Commercial dishwasher safe.
- Three (3) position lid strains ice, free pours or closes to protect contents.
- Graduations are clearly marked on the sides of the pitcher.
- Pitcher and Lids conveniently stack for space-saving during storage.
